

جامعة الفلوجة - كلية العلوم الاسلامية
قسم القرآن الكريم وعلومه

Vision, Mission, Goals And Strategic Plan

1. The Vision:

Excellence and educational and research leadership in the specialization of Quranic sciences and interpretation, aspiring to attention to the etiquette of scholars, and educating the community that the multiplicity of opinions stems from the intellectual freedom established by Islam, and clarifying the aspects of scientific and linguistic miracles in the Holy Quran.

2. The Mission:

The department seeks to provide integrated education in the sciences of the Quran and interpretation, and it also seeks to develop the students' intellectual and research skills to meet the requirements of the community.

3. The Goals:

The Goals of the department can be summarized as follows:

1. Preparing specialized graduates in the sciences of the Holy Quran and interpretation to serve the country and the people.
2. Developing the students' Sharia skills in accordance with their specialization by employing theoretically supported means for teaching the relevant sciences.
3. Creating ties between students and the Holy Quran to give the student-learner a greater opportunity to understand the teachings of the Quran and realize its objectives.
